compiled by [John A. Brebner](#)

Version 1.5

Generation One

1. **Lewis Hudgin #216237.**

Some sources suggest that there may have been a third son, Wait HUDGIN. No additional information has been found to substantiate that claim.

This extensive genealogy is very much a work in progress. I must credit the Charles Proctor book, "200 Years of Hudgins, 1776 - 1976" as being invaluable, especially for the family members born after 1921. I am working my way through the text of that book, and up to about Page 140 (of 1240 pages), so please check back every few months for the most recent updates.

The book is out of print, but available online at archive.org

The Marianne Gray Otty Database shows no HUDGIN/HODGIN births/baptisms in New Brunswick...

United Empire Loyalist. Member of Simcoe's Queen's Ranger's, Tarleton's (British Legion), settled in Upper Canada. 1784: Granted 200 acres of land on the west side of the Saint John River, York County, Southampton, New Brunswick. Family of ten sons, one daughter.

1808: Left New Brunswick for Upper Canada, Settled first at Cole's Point, Adolphustown (Canniff), then in 1814 he removed to Marysburgh, Prince Edward County. While he petitioned for land as a UEL Settler in Marysburgh, that was not granted as he had already been given land in New Brunswick, which he sold. Proctor suggests that the land

in Marysburgh was rented from the Clergy Reserve. When that fact was discovered, there were a flurry of land petitions from sons, daughters and wives who now lived in Upper Canada..
