Noxon Family (Pioneer Life on the Bay of Quinte, 1904; pages 76 - 82)

"The Noxon family is descended from Andrew Noxon of Ayrshire, Scotland. His son, James D. Noxon, married the daughter of Sir Samuel Pascoe, Governor of Jamaica. The young people, indeed, eloped from Jamaica to New York, and there took up their permanent abode. Their four sons all settled in Dutchess County. A descendant, James, son of James and Mary Bentley Noxon, was the Canadian pioneer. Born in 1765, when twenty-three years of age he married Lanor DeLong and came to Canada with a number of other intending settlers. He was the leading spirit of the party, and was usually to be seen in the van of their fleet of batteaux. When the word was passed along that James Noxon was in the leading batteau the utmost confidence was placed in his guidance. He first settled on Hay Bay, but afterwards bough two hundred acres of land in Sophiasburgh. Of his children, Jonathan, Lanor and Dorland lived in what was known as Christian street, and which was about eight miles north-west of Bloomfield, and probably acquired its name through the fact that so many Friends lived there.

"Patience and determination (Scottish characteristics which James Noxon evinced through life) were powerful traits in his character. In early years he does not appear to have had very strong religious convictions, nor did he at that time united with any religious body; but after the death of his first wife and his marriage with Elizabeth Dorland, he asked to be, and was, admitted to membership in the Society of Friends. He remained a Friend for forty-five years, and became one of the Society's ministers. In 1837 he visited meetings with the Friends in New York and other States with much acceptability. Descendants have described him as a clever man of sterling ability. He was connected with the first church in Bloomfield, which stood on the site of the New Light Quaker meeting house. Joseph Leavens was minister, and was succeeded by Morty Outwaters; later, came a travelling preacher, a Frenchman. He in turn was succeeded by James Noxon, a Friend who lived in Sophiasburg, near Fish Lake. He is described as a very clever man, who came regularly to Monthly and Quarterly Meetings attired in knee breeches and a broad brimmed hat.

"James Noxon, the third child of the pioneer, was born in Sophiasburg in 1797, and married Catherine Morden, a granddaughter of Joseph Morden. About a year after his marriage he acquired two hundred acres of land in the 3rd concession of Hillier, and removed there. This portion of the country was exceedingly new, and the home was reached by an ox path that they were compelled to clear with their axes. A log house was soon built, which was later succeeded by a frame one, and also a barn, the first of their kind to be erected in that locality. The barn, 30 by 50 feet, was framed and raised within three days, and without the use of liquor. In this connection, it may be stated that James Noxon was a natural mechanic and of stern temperance principles. Of the family, his sister, Lanor, and his brother, Jonathan preached the Friends religion. James Noxon attended a Friends meeting on Yonge street, and being suddenly taken ill, he died, and was buried in the Friends burial grounds at Newmarket.

"James Noxon died in 1842, aged seventy-eight years. Two of his grandsons, James and Samuel, were the founders of the Noxon Manufacturing Company, of Ingersoll.

"Mr. James Noxon, having parted with his interest in this business was appointed by the Ontario Government, in 1892, as Inspector of Public Institutions, a position that he has filled for many years past to the entire satisfaction of

the Government and the people. His son, William C. Noxon, is a broker, and carries on a business and resides in Toronto.

"Samuel Noxon, upon retiring from business, took up his residence upon his farm near the picturesque village of Wellington, where he has a beautiful home on the Lake Shore. He is one of the leading citizens of Prince Edward County.

"Dr. Allan Noxon after receiving his degree, practiced at Elmonte (sic), then at Bloomfield, and later on at Picton. He came to Toronto in 1884, and has resided there ever since, having built up a large and lucrative practice. He enjoys the respect and confidence of a large circle of friends and acquaintances throughout the city.

"James E. Noxon, son of Gilbert Noxon, went to California, by the Isthmus of Panama route, in 1863, and remained for some years in California and Nevada, making and losing large sums of money; but, having recouped his losses by work in the gold fields and some investments in Virginia City, he returned to Canada and bought an interest in a business at Belleville. He soon returned to the Pacific coast, where he lost some money at Virginia City, but obtained employment at one hundred dollars per month, and board, and in about two years returned to Prince Edward County, and purchased the Jones homestead, having married Ellen Greer. He once again visited Virginia City, and later speculated in real estate at Brandon, Portage la Prairie, and in lands at Selkirk. Of late years he has been engaged at Wellington, in the meat and grocery business, but is always ready to embark in any legitimate enterprise that offers a fair commercial profit."

"This young couple (Webster Talcott and Elizabeth White) died within a few years of their marriage, and within five months of each other, leaving one child, Elisha, and infant, who was reared by his grandparents. Upon coming to manhood, Elisha W. Talcott married Sarah, daughter of Jonathan Noxon, a Friends' minister, and settled near Bloomfield; their descendants are shown in the table annexed. Their four sons, James Webster Talcott, Freeman Talcott, Jonathan Talcott and Philip Talcott are among the wealthiest and most influential citizens of Prince Edward County. They have not only been successful in conducting their own affairs, but have assisted the municipality by serving in the council and helping in various ways to build up the community in which they live. The families retain their hereditary membership in the society of Friends, and all of the Talcotts, so far as known, are members of the

Liberal party. They have inter-married with many of the best families of Prince Edward County; but there is no family in the Bay of Quinte district that ranks higher than this old English family of the Talcotts"

Noxon Brothers, Ingersoll

The Canadian Biographical Dictionary and Portrait Gallery of Eminent and Self-Made Men,
Ontario Volume, 1880, pp 264 - 265

"Noxon Brothers' Manufacturing Company, the most extensive industry in the manufacturing line at Ingersoll, is comprised of five brothers, Freeman C., James, Samuel, Stephen, and Thomas H., sons of Samuel Noxon, senior, who was born and spent his days in the County of Prince Edward, Ontario, and grandson of James Noxon, a United Empire Loyalist from Dutchess (sic) County, N.Y. The grandfather settled in Prince Edward at the close of the American Revolution. The mother of these five sons was Rhoda White. They received a business education in the public schools of their native county, James, the second son, adding a few terms of study at the Jefferson County Institute, Watertown, N.Y.

"Samuel Noxon, senior, owned a large farm and saw-mill, and as his sons had a mechanical turn of mind, he built a shop for wood-work expressly for their use. in that shop they made anything to which they applied their skill - farm waggons, buggies, cutters, threshing machines, &c., &c. Their hands seemed to gain the mastery, almost by intuition, of nearly every kind of mechanics' tools, this being particularly the case with Freeman, James, and Samuel.

"In 1855 James and Samuel Noxon came to Ingersoll, Stephen following in 1865, and Freeman C. the oldest and Thomas H. the youngest, in 1869. At first the two pioneers in this town started a foundry, and made plows and stoves only. After a while they dropped stoves and commenced the manufacture of mowers and reapers, and grain drills, still making them a specialty. They usually turn out about 1,500 reapers and mowers, and 1,000 grain-drills, doing a business from \$230,000 to \$250,000 a year; and employing, in inside work, about 120 men, and a large force outside. No other manufacturing establishment in town has done, or is doing, half so much to build it up, though there are several large factories and mills in the place.

"The buildings cover four or five acres, the main building being 460 feet long, and the greater part of 125 feet wide, and two stories high. The location is on Thames Street, directly between the Great Western and Credit Valley Railway tracks, with the station of the former road joining on the north, and that of the latter on the south, thus having the best conveniences possible for the shipment of machines. In the large office (25 by 65 feet) are branches of the Dominion and Montreal Telegraph offices, and a branch of the American Express office.

"The reapers and mowers manufactured in these shops include the Standard Combined, the Standard Single Reaper, and the Standard Light Mower, and are second in quality to nothing of the kind manufactured in the Province. The grain-drills made by Noxon Brothers, are the celebrated "Hoosier," which attracted so much attention at the International Centennial Exhibition, held at Philadelphia in 1876. It is manufactured also as a combined drill and broadcast seeder, and includes in its makeup, all the best points found in the latest and best machines of the kind. This company also manufactures hand and power feed-cutters, cultivators, horse-swing machines, &c., but nothing that is cheap and frail. The best timber and iron is put into these machines, and their durability as well as excellence keep the price at fair remunerative rates. Their reapers and mowers are found in every part of the dominion where grain and grass grow, and are very popular.

"The Noxon Brothers Manufacturing Company was incorporated in 1872. James being President; Samuel, Secretary and Treasurer; Freeman, Superintendent, the other two brothers having particular charges outside. All have families but Stephen. All have managed to keep out of office except James, who has had responsibilities in the municipalities of the town and county as often as quite as long as he has desired them. As head manager of these great manufacturing works, his labors and responsibilities are all, it is evident, that he covets."

Obituary: An Appreciation of Elma Noxon Mastin

(By Charlotte Talcott-Cox), (publication name/date unknown, 1932)

"The passing of Elma A. Mastin, beloved wife of S.E. Mastin, touched the hearts of many who had known her from her earliest years to the hour of her departure from the island of Time, to the land of Eternity.

"Elma Noxon was born of Quaker parentage. Her mother was Mary J. Thomas. her father, Reuben Noxon. was a grandson of James Noxon, the first Quaker minister in Prince Edward County - if not the first in Canada. Mrs. Mastin was the grand-daughter of Jonathan Noxon and Jemima Way. Jonathan Noxon was a prominent Quaker minister who lived and died in Bloomfield.

"Mrs. Mastin, in every relation of life - wife, mother, friend and neighbour, expressed in her daily life the chief characteristics of Christian womanhood.

"In her quiet, kindly disposition lay the "Consecration" that was not wrapped in a holy web of doctrine, but in the joyful, smiling experiences of loving and living, which sprung forth fruit during her whole life. She found on earth her real heaven, and she lived in it as few knew how to live, free from envy and uncharitableness.

"She went forth upon her homeward journey leaving messages of love and kind words. She died in the autumn of life, with clustering fruits at the end of the harvest.

"We shall miss her in our community life, our Institute and Club, where her personal influence and assistance were valued.

"We deeply sympathise with the bereaved husband and family who sorrow."

"Out and beyond in the shining way."
