Extracted from "Pioneer Life on the Bay of Quinte", 1905, pages 888-894:

"Joseph Wright married Jane E. Storms, and settled on lot 74, Lake Side, North Marysburg. He was by trade a master carpenter and built many of the best houses and barns to be found in North and South Marysburg, and adjoining townships. His skill led to his employment at other places, including the State of New York, but after his marriage he devoted himself principally to farming, although he built the residence now occupied by his widow and son, Vincent Wright. He died universally respected in 1889, and the farm is now managed by his son Vincent, who had taken over the main charge of it before his father's death. A daughter, Etta Wright, married Thomas Vincent. Mr. Vincent was born at Bristol, England, and came to Canada when a mere child. He has proven himself a successful farmer, and at present owns one hundred acres in a high state of cultivation and beautifully located for a home overlooking the Bay."
